For questions regarding zika, please call:  
**(340) 712-6205**  
**(340) 718-1311 x6205**  
 For submission of zika report forms, please fax:  
**(340) 718-1508**

**Reported/Tested:** Reported includes any resident or visitor to the USVI diagnosed by a health care provider with suspected zika; regardless of subsequent laboratory testing. Tested includes any pregnant woman tested for zika regardless of symptoms.

**Positive:** A laboratory positive reported case with zika virus-specific nucleic acid in serum and/or IgM antibodies in serum and confirmatory plaque reduction neutralization testing to differentiate potential cross-reactive antibodies.

**Negative:** A laboratory negative reported case without zika virus-specific nucleic acid and/or IgM antibodies in serum.

**Pending:** Any reported/tested awaiting laboratory diagnosis.
