**Department of Health Clinics and Administrative Offices
Close for Post Tropical Storm Fiona Assessment**

US Virgin Islands — Commissioner of Health Justa Encarnacion advised the public that all Department of Health clinics and administrative offices across the Territory will be closed for business on Monday, September 19, 2022 so that VIDOH staff can conduct assessments of all departmental properties.

Pending the findings from the assessment, clinics and administrative offices will reopen for business on Tuesday, September 20, 2022.

Commissioner Justa Encarnacion thanks the public for their patience and understanding and apologizes for any inconvenience this temporary closure may create.
