**VIDOH Extends Drive Through Testing Hours
As the St. Croix Agricultural Fair Approaches**

US Virgin Islands — The Virgin Islands Department of Health (VIDOH) advises the public that the hours for drive through COVID-19 testing are being extended on Thursday and Friday of this week to prevent persons feeling ill from possibly spreading the virus at the Agricultural Fair.

Drive through testing on St. Croix will be held at the CVC at the Charles Harwood Memorial Complex tomorrow, Thursday, May 26th and Friday, May 27th between the hours of 9:30 a.m. and 2:00 p.m.

Appointments are normally recommended however the VIDOH wants to accommodate as many individuals who need to be tested as possible and will be accepting all walk-ins.

The VIDOH will return to its regular testing schedule on Monday, May 30th and asks everyone to resume using the appointment system by telephoning calling 340-777-8227.
