**Department of Health Confirms the Forty-Sixth, Forty-Seventh and
Forty-Eighth Deaths Related to COVID-19**

St. Croix, US Virgin Islands — After further investigating cause of death and ensuring notification of next of kin, the Virgin Islands Department of Health is saddened to confirm the territory's forty-sixth, forty-seventh and forty-eight deaths related to COVID-19. The deceased are a 51-year-old female, an 81-year old female and a 94 year-old male, all on St. Thomas.

The Department continues to work to slow the spread of COVID-19. Please continue to follow these precautionary measures: practice social distancing, wear a mask when in company of others outside of those in your household, clean frequently used areas thoroughly, and wash your hands often with soap and warm water.

Getting the COVID-19 vaccine can prevent severe illness and death. To schedule an appointment, please call (340) 777-8227 or visit covid19usvi.com/vaccines. Walk-ins are also accepted at our Community Vaccination Centers.

St. Croix's Community Vaccination Center is located at the Nissan Center on St. Croix which is in La Grande Princesse, adjacent to the Honda Dealership and The Paint Shop, on the same side of the street as Food Town.

Press Release

Department of Health Confirms the Forty-Sixth, Forty-Seventh and Forty-Eighth Deaths Related to COVID-19

August 23, 2021
