**Department of Health Confirms the
One Hundred and Twenty-Second (122nd) Death Related to COVID-19**

St. Croix, US Virgin Islands — After further investigating cause of death and ensuring notification of next of kin, the Virgin Islands Department of Health is saddened to confirm the territory's one hundred and twenty-second (122nd) death related to COVID-19. The deceased is an 89-year-old male on St. Thomas. The Department of Health extends condolences to the family and friends of our latest COVID-19 related fatality.

The Department continues to work to slow the spread of COVID-19 and encourages the public to become fully vaccinated and boosted. Residents are also urged to continue following all precautionary measures by practicing social distancing and wearing a mask in crowded public areas, cleaning frequently used areas thoroughly, and washing your hands often with soap and warm water.
