US Virgin Islands — St. John residents and visitors are advised the Department of Health will return to the Wednesday only, pre-Omicron testing and vaccination schedule at the VI Port Authority Gravel Lot the week of February 14th. All other testing and vaccine events previously offered at other locations on St. John are discontinued.

Testing at the VIPA Gravel Lot will be offered from 12:00 noon to 3:00 p.m. and vaccines will be available from 1:00 p.m. to 4:00 p.m. Persons wishing to be tested are reminded they must register in advance at <https://www.covid19usvi.com/testing>. Gift cards for eligible children who receive a second vaccine dose can be picked up at the Morris F. DeCastro Clinic.
