**St. Croix DOH to Distribute Insulin @ Charles Harwood Complex
Free Tetanus and Flu Shots also Available**

(October 24, 2017, U.S. Virgin Islands (USVI)) **Get your FREE Insulin, Flu Shot and Tetanus Vaccination tomorrow at** the Department of Health's (DOH) Charles Harwood Complex.

On tomorrow, Wednesday, October 25, 2017 (10am-3pm), the DOH will be distributing insulin to the uninsured and under-insured at the Charles Harwood Complex, located on St. Croix.

Patients are asked to bring their medicine bottle or prescription and a picture form of identification. The types of insulin that will be offered include: Basaglar, Humalog Mix 75/25, Lantus, Levemir, Novolog, Toujeo, Tresiba, Trulicit, Alfrezza, Humalog 50/50, Novolin N, Novolin R, Novolog, Humulin N, Humulin R, Humulin 70/30 and Humalog

Additionally, Flu season is here again; **FREE Flu and Tetanus shots will also be offered tomorrow (same location), Wednesday, October 25th**, to everyone age 3 and over. Parental consent is required for anyone under the age of 18. Flu shots are important for you and anyone around you. Seasonal flu vaccines are designed to protect against infection and illness caused by the three or four influenza viruses.

Also, get a tetanus booster shot after certain injuries. Usually, the bacterial toxins enter the body through a break in the skin caused by an object contaminated with tetanus. For example wounds, skin burns, crush injuries etc. Individuals 11 years old and up can receive the vaccination. Parental consent is required for anyone under the age of 18.
