**SCHNEIDER REGIONAL MEDICAL CENTER (SRMC) LAUNCHES  
NEW DRIVE-UP COVID TESTING SITE**

---

***St. Thomas, US Virgin Islands*** —Schneider Regional Medical Center has launched a drive-up COVID-19 testing site at the Roy L. Schneider Hospital (9048 Sugar Estate, St. Thomas).

“Given the exponential increase in COVID-19 cases in the territory and the need for additional testing sites, SRMC now offers the highly efficient, PCR Oropharyngeal Swab Covid Testing through our fully automated Holistic Panther Fusion® System” – Chris Borgesen, Vice President of Operations.

No physician referral or appointment is required. Visitors are asked to pre-register online at <https://www.srmedicalcenter.org/register-app> or use their smartphones to scan the barcode below. The SRMC testing site operates Monday through Friday from 8:30am - 11:30am. Tests are \$100.00 each. Only credit and debit card payments are currently accepted. Cash payments cannot be accepted at this time.

**SRMC COVID Tests provides:**

- ✍ Higher Sensitivity
- ✍ Greater Accuracy
- ✍ Quicker Turnaround Time

Along with the Virgin Islands Health Department, SRMC continues to encourage our residents to protect themselves and their families by getting vaccinated to slow the spread of COVID-19. Vaccination sites and other information is available at <https://www.covid19usvi.com/vaccines>

Detailed instructions to access SRMC’s testing site is attached.
