**VI Department of Health Behavioral Health, Alcoholism and Drug  
Dependency Office Relocates on St. Croix**

**US Virgin Islands** — Commissioner of Health Justa E. Encarnacion advises the St. Croix public of the grand opening of the Department's Behavioral Health, Alcoholism and Drug Dependency (BHADD) Services Office on Wednesday, December 7, 2022. The Office's new temporary location is 3012 Estate Golden Rock, Christiansted, VI 00820.

Services available at the Golden Rock location include outpatient clinic services, individual therapy, group therapy, Clubhouse, and substance prevention and intervention services. Methadone clinic services will continue to be provided at the Charles Harwood Memorial Complex (CHMC) until further notice.

In 2017 the CHMC sustained extensive damage as a result of Hurricanes Irma and Maria. Shortly afterward the BHADD Office was relocated to modular units erected behind the CHMC. To ensure the health and safety of BHADD clients and staff, today's relocation is in response to the environmental conditions that have since developed in the modulars.

For additional information or to schedule an appointment please contact: Division of Behavioral Health, Alcoholism and Drug Dependency Services at (340) 643-8985.
