

FOOD HANDLER HYGIENE

PREVENT CONTAMINATION OF FOOD

Hair must be covered with a hairnet or hat. Men must also wear a beard net or be clean shaven.

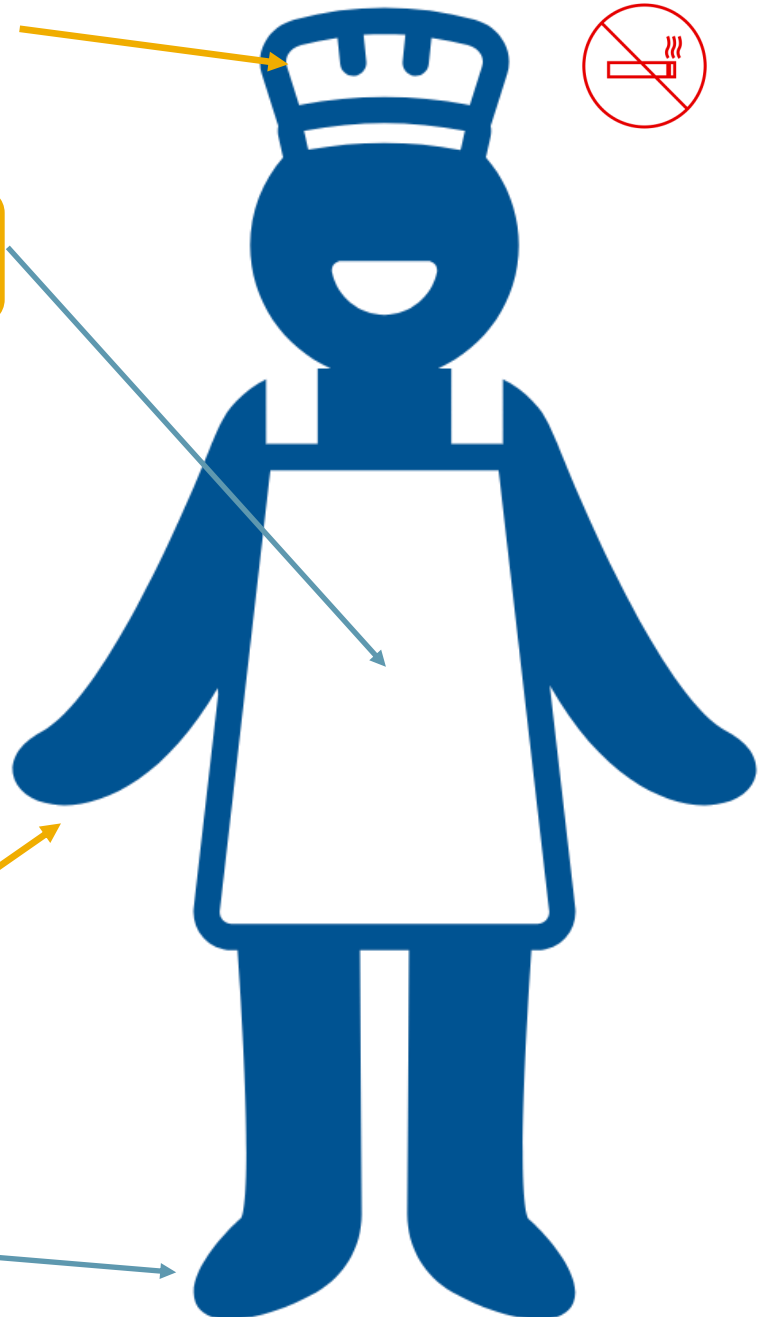

Food handlers must always wear clean, washable protective clothing.

Jewelry are not only potential physical hazards but they can also hide dirt and bacteria. Food handlers should not wear earrings, watches, or rings. The only jewelry permitted is a plain wedding band.

Hands

Use proper handwashing techniques. Nails should be short and clean; No false nails or nail polish.

Shoes should be clean, non-slip, closed-toe shoes with a low heel to prevent slips and falls.
